

Get Connected

Plugging in to the world of art in and around the Conejo Valley is as simple as getting more involved!

The Westlake Village Art Guild has been serving the visual arts community for nearly 45 years. As one of the larger and more dynamic art groups in Southern California, it offers its members outstanding opportunities to be part of a successful team that provides a stimulating and supportive environment for artists and lovers of the arts.

Whatever your objectives are in joining the WVAG, you can increase the chances of achieving them by joining one of the teams that is most closely related to your interest. As part of one of these teams, you will have the opportunity to participate in the planning of key events and be part of their success.

It is our plan to have an adequate number of people on each team so that people can job share, partner with, and back-up one another. Teams will include experienced members thoroughly familiar with the activities and newer members who will bring new ideas that will help make our already great events even better.

ADMINISTRATION

This team is responsible for the “business side” of the WVAG with key functions including financial management, membership, record keeping, coordination with other art groups, insuring compliance with regulatory requirements and By-Laws.

Shows, Exhibits & Workshops

The Guild offers its members many opportunities to exhibit and sell their work. These include our “Showing Locally”, the Membership Show, Open Juried Show and numerous outside venues. In addition, the WVAG sponsors an Annual Student Awards open only to high school seniors. If you want to know what goes on behind the scenes, be one of the first to see show entries, help organize a workshop or have ideas on how to make these events even better, this is the team to be on!

DINNER/DEMO MEETINGS

At the heart of the WVAG is the Dinner/Demo meetings held on the first Tuesday of each month from September through June. The Dinner/Demo Team schedules the demo artist, evaluates meeting locations, coordinates with the caterer and schedules people, as needed, to assist in key activities such as Programs, Reservations, Check-In, Raffle Ticket Sales, Mini-Gallery, etc.

If you like the dinner/demo meetings this may be a good fit for your interests!

Communications

This Team’s responsibilities include the monthly Art Bulletin, Web Site and Publicity. If you are interested in graphic design, are a good writer, want to learn how to help with the Web Sites, can help to get promotional material printed distributed, or can help with advertising, this is the team to be on.

***Plug-In today!** Select the Team that most closely matches your talents or interests call today! We welcome all help and have a need for volunteers.*

We are looking to you for your fresh, creative ideas!
